

CALL FOR SESSIONS

2019 Conference, October 24–27, 2019

The Historic Davenport Hotel, Spokane, Washington

The American Cultural Resources Association (ACRA) supports cultural resource management (CRM) firms, cultural resources discipline groups, and their affiliates. Our annual meeting is a prime venue to exchange ideas and meet new colleagues. It is through member participation that our conference program can expand each year, bringing new ideas and evoking teamwork as we strive to make our industry stronger. Our 25th annual conference will be held in Spokane, Washington, from October 24–27, 2019. This year's conference theme—ACRA at 25 - Exploring Our Past to Build Our Future—highlights Spokane's frontier history and ACRA's silver anniversary, as we reflect on where the organization started and make plans for the years to come.

The ACRA Conference Committee is soliciting proposals for sessions to be held during the annual meeting. Using the conference theme as a general guide, sessions can reflect a variety of CRM topics, including business operations, reaching out to the academy, continued education, technological advances, advocacy, and best practices. Sessions can involve an individual speaker, a suite of presenters, or a panel (maximum of four panelists); they can also revolve around a presentation or an interactive activity. Each session will last between 45 minutes and two hours, depending on the topic. Our goal is to craft a well-rounded program that will provide value to our attendees. It is anticipated that the session moderator will work with the Conference Committee on content and session requirements. We also welcome recommendations for a compelling keynote speaker.
