

## **Swift River Environmental Services, LLC is Hiring!**

### **Job Summary:**

In anticipation of upcoming projects, Swift River Environmental Services is seeking applicants for a Project Archaeologist to serve as a Field Director for survey and testing projects in Northeast Texas, Southeast Oklahoma, Southwestern Arkansas, and Louisiana. Work is projected to begin in January for one project and in February for a much larger project, which will likely be extended for testing and data recovery efforts.

### **Primary Responsibilities and Requirements:**

Experience must include directing and managing Field Crews, overseeing survey, test excavations, data recovery, and producing quality reports. Experience in the Caddoan culture area a plus. Individual should be competent with GPS data collection and have basic GIS capabilities.

### **Education and Qualifications:**

Applicants must minimally have a M.A. degree in Anthropology and a minimum of three years of experience as a Project Archaeologist.

Salary compensation and benefits will be commensurate with level of experience and education.

### **Benefits Include:**

401(K) Plan with Employer Match, Health Insurance (medical, dental, and vision), Paid PTO, Flexible Spending Accounts (Health and Dependent Care), Life insurance, Short term and long-term disability, Full Holiday Schedule and more.

### **How to Apply:**
